Want to experience life in the fast lane?

Super Sam is travelling across Essex to bring superfast broadband to communities countywide together with the Superfast Essex programme.

There are **27 cabinets** which have been upgraded to fibre so far in Chelmsford City, in the following areas:

Ramsden Heath	Danbury	Little Waltham
Stock	Broomfield	Writtle
Roxwell	Great Baddow	Wickford
Woodham Ferrers		Chelmsford

We've also upgraded **39 cabinets** in Maldon District, **44** in Braintree District and more in other parts of Essex. Check the full list of cabinets Super Sam has activated:

www.superfastessex.org/cabinets

If your cabinet is live – remember to contact a broadband provider and ask to upgrade your service to fibre!

If Super Sam hasn't super powered your cabinet yet, check if he's planning to visit your postcode in the future on the Superfast Essex interactive map: www.superfastessex.org/maps

Get up to speed & switch!

*Please note, the distance between your property and the green fibre cabinet in the street may affect the broadband speed you receive. If your area isn't in Super Sam's plans, make sure you register your demand by completing our 'Make the Connection' survey: superfastessex.org/getinvolved
