Want to experience life in the fast lane?

Super Sam is travelling across Essex to bring superfast broadband to communities countywide together with the Superfast Essex programme.

There are **44 cabinets** which have been upgraded to fibre so far in Basildon District and Brentwood Borough:

21 cabinets live in Basildon District in the following exchange areas:

Basildon	North
Billericay	Benfleet
Laindon	Wickford

23 cabinets live in Brentwood Borough in the following exchange areas:

Blackmore	Herongate
Brentwood	Ingatstone
Coxtie Green	

We've also upgraded many more in other parts of Essex. Check the full list of cabinets Super Sam has activated:

If your cabinet is live – remember to contact a broadband provider and ask to upgrade your service to fibre!

If Super Sam hasn't super powered your cabinet yet, check if he's planning to visit your postcode in the future on the Superfast Essex interactive map: www.superfastessex.org/maps

Get up to speed & switch!

*Please note, the distance between your property and the green fibre cabinet in the street may affect the broadband speed you receive. If your area isn't in Super Sam's plans, make sure you register your demand by completing our 'Make the Connection' survey: superfastessex.org/getinvolved
